Dear Mr Aguirre

As you know, Northern Telecom Europe's Third Annual Sales Conference is being held in Madrid at the Hotel Melia Castilla from the 11th - 14th January 1994. At this time we will have the entire European sales team together to discuss strategy and opportunities for Northern Telecom in Europe.

I have pleasure in inviting you to the Gala Dinner on the evening of 11th January, where we will celebrate our success from 1993 and honour the top achievers. The event starts at 7.30pm at the hotel. Can you please confirm your attendance with Enrique Martinez de Velasco.

I look forward to seeing you on the 11th January if possible.

Best regards
